The Company hereby confirms its grant of a security interest in the funds on deposit from time to time in the Collateral Account as proceeds of Receivables and further confirms that such funds shall constitute collateral security for the payment of all Secured Indebtedness. (e) Funds on deposit in the Collateral Account in excess of the amount necessary to pay Secured Indebtedness which shall then be due and payable ("Excess Funds") may be withdrawn from the Collateral Account by the Collateral Agent and made available to the Company and its Subsidiaries for one or more of the following purposes: (i) maintenance of any minimum operating account balance required in connection with Manufacturers Hanover's loan to the Company represented by the Term Note due December 1, 1985 in the principal amount of \$4,500,000 (the "Term

Unless Excess Funds shall be released from the Collateral Account for the purposes aforesaid, such Funds shall be maintained on deposit in the Collateral Account. The Collateral Agent shall be entitled to rely on any instructions which it shall receive from the Company pursuant hereto which it reasonably believes to have been given in good faith.

(f) The Collateral Account shall be subject to the sole control and discretion of the Collateral Agent and the Company shall have no authority, without the consent of the Collateral Agent, to make use of any funds in the Collateral Account, except to request that they be applied to any optional payments of Secured Indebtedness.

(g) The Company hereby agrees that Excess Funds may be invested from time to time by the Collateral Agent in Authorized Securities, *provided* such investments shall be made by the Collateral Agent only in response to instructions received by it from the Company.

(h) In administering the Collateral Account the Collateral Agent shall not be liable for any act or omission on its part except for any such act or omission which is a result of its gross negligence and wilful misconduct.

(i) If an Event of Default shall have occurred and be continuing, and such Event of Default is known to the Collateral Agent, funds shall be released from the Collateral Account only to the First Mortgagees or, if the First Mortgage has been fully satisfied, to the Trustees and the collection and administration of Receivables and the application of proceeds thereof shall be governed by Section 4.06 of this Mortgage.

All alterations of and additions to the Property shall immediately become subject to the lien of this Mortgage without further action on the part of Mortgagors.

2.08. *Maintenance of Property; Use.* Mortgagors at their expense will keep, or cause to be kept, the Property in good order and condition (with the exception of ordinary wear and tear) and make all necessary or appropriate repairs, replacements and renewals thereof, interior, exterior, structural and non-structural, ordinary and extraordinary, and foreseen and unforeseen. 2.12. *No Claims Against Trustees, etc.* Nothing contained in this Mortgage shall constitute any consent or request by the Trustees or any Beneficiary, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, or be construed to give Mortgagors any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Trustees or any Beneficiary in respect thereof or any claim that any lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the lien of this Mortgage.

2.13. *Payment of Impositions, etc.* Subject to section 2.16 relating to permitted contests, Mortgagors will pay or cause to be paid all Impositions before the same shall become delinquent and before any fine, penalty, interest or cost for non-payment may be added, and will furnish to the Trustees, upon request, official receipts or other satisfactory proof evidencing such payments. being made or for the manufacture and production of any Inventory, and for the proper erection, installation, operation and maintenance of the Improvements and the Equipment or any part of either thereof, and will comply, or cause to be complied, with any instruments of record affecting the Property or any part thereof at the time in force.

2.15. *Liens, etc.* Subject to section 2.16 relating to permitted contests, Mortgagors will not directly or indirectly create or permit or suffer to be created or to remain, and will discharge, or promptly cause to be discharged, any mortgage, lien, encumbrance or charge on, pledge of, or conditional sale or other title retention agreement with respect to the Property or any part thereof, other than (a) this Mortgage, (b) the First Mortgage and (c) Permitted Exceptions. Mortgagors represent and warrant that no Permitted Exception substantially interferes, or will hereafter substantially interfere, with the use of the Property determined as of the date hereof.

2.16. *Permitted Contests.* Mortgagors at their expense may contest, by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity or application, in whole or in part, of any Imposition or lien therefor or any Legal Requirement or Insurance Requirement or the application of any instrument of record referred to in section 2.14 or any lien or charge referred to in section 2.15, *provided* that (a) in the case of an unpaid Imposition or lien therefor, or other lien, such proceedings shall suspend the collection thereof from Mortgagors, the Property, the Trustees and any Beneficiary, (b) neither the Property nor any part thereof or interest therein would be in any danger of being sold, forfeited or lost prior to the determination of such proceedings, (c) in the case of a Legal Requirement, neither Mortgagors nor the Trustees nor any Beneficiary would be in any danger of any additional civil or any criminal liability for failure to comply therewith, (d) in the case of any lien or charge referred to in section 2.15, the same shall not have been created by the voluntary affirmative act of any Mortgagor, and (e) Mortgagors shall have furnished such security, if any, as may be required in the proceedings or reasonably requested by the Trustees or any Beneficiary. after the end of each fiscal year and promptly upon request by the Trustees or any such Beneficiary, Officer's Certificates stating that there is no condition or event which constitutes a Default or an Event of Default, or, if any such condition or event exists, specifying the nature and period of existence thereof and what action Mortgagors are taking or propose to take with respect thereto. The Company, from time to time and promptly upon request of the Trustees or any Beneficiary, will furnish or cause to be furnished to such requesting Trustees or Beneficiary information with respect to the Property. Each Mortgagor will at all reasonable times and from time to time permit any representatives designated in writing by the Trustees to inspect the Property or any part thereof and to inspect and make extracts from its books and other records and to arrange for verification of receivables under reasonable procedures directly with its account debtors or by other reasonable methods.

Any amounts payable to the

Trustees or any Beneficiary under this section 3.01 which are not paid within 10 days after written demand therefor shall bear interest at the rate of 11.50% from the date of such demand, and such amounts, together with such interest, shall be indebtedness secured by this Mortgage to the same extent as the Secured Indebtedness is secured by this Mortgage. 3.02.2. *Policy Provisions.* All insurance maintained pursuant to section 3.02.1 shall (a) name, except in the case of worker's compensation insurance, the First Mortgagees and the Trustees, as insureds as their interest may appear under the First Mortgage and this Mortgage; (b) provide, except in the case of public liability insurance and workers' compensation insurance, that all insurance proceeds shall be adjusted by the Company (subject to the approval of the First Mortgagees and the Trustees) and be payable solely to the First Mortgagees, or, if the First Mortgage shall have been fully satisfied, then to the Trustees, by means of a standard New York Mortgagee's loss payable or equivalent endorsement to be held in trust and to be paid as provided in section 3.05 of the First Mortgage, or, if the same shall have been fully satisfied, as provided in section 3.05 hereof, *provided* that any insurance proceeds for any loss of less than \$300,000 may be adjusted with and payable to the Company alone; (c) include effective waivers by the insurer of all claims for insurance premiums against the Trustees and each Beneficiary; (d) provide, to the extent obtainable, that any losses shall be payable notwithstanding (i) any act or failure to act or negligence of Mortgagors or any other person, (ii) the occupation or use of the Property for purposes more hazardous than permitted by the terms of the policy, (iii) any foreclosure or other proceedings or notice of sale to the Property, (iv) any change or increase in the interest of the Trustees or any Beneficiary, or (v) any change in the title or ownership of the Property; and (e) provide that no cancellation thereof shall be effective until at least 30 days after receipt of a written notice to such effect by the Trustees.

3.02.3. *Period of Default.* If a Default shall have occurred and be continuing, full power is hereby conferred on the Trustees to adjust, settle and compromise all claims under all insurance policies for any loss more than \$100,000; to determine, receive and receipt for all monies becoming

payable thereunder; and to assign all such policies to any or all of the Beneficiaries or to the grantee of any of the Property insured in the event of foreclosure or sale pursuant to section 4.04 of this Mortgage, or any other transfer of title to such Property in extinguishment of the indebtedness secured by this Mortgage or any portion thereof, *provided* that if any of the indebtedness secured by the First Mortgage shall remain unpaid, then the Trustees shall take no action pursuant to this section 3.02.3 without the prior written consent of the First Mortgagees.

3.02.4. *Delivery of Policies; Insurance Certificate.* The Company will deliver or cause to be delivered the First Mortgagees, or, if all indebtedness secured by the First Mortgage has been fully paid, to the Trustees, (a) promptly upon the execution and delivery of this Mortgage, certificates of the insurers as to the existence of all insurance policies, or in lieu of such certificates, if requested by the First Mortgagees, or, if all indebtedness secured by the First Mortgage has been fully paid, the Trustees the originals of all such insurance policies (except blanket policies), with respect to the Property which are required to be maintained pursuant to this section, together with an Officer's Certificate containing the information set forth in clause (c) of this section 3.02.4, (b) at least 20 days prior to the expiration of any such policies, evidence as to the renewal thereof and the payment of all premiums then due with respect thereto, and (c) within 90 days after the end of each calendar year and promptly upon request by the Trustees, an Officer's Certificate of the Company setting forth the particulars as to all such insurance policies and certifying that such insurance is in full force and effect and complies with the requirements of this section, and that all premiums due thereon have been paid; and the Trustees may rely exclusively on such Officer's Certificate as to the matters set forth therein, notwithstanding their receipt of such certificates or policies. In the event any Mortgagor shall fail to effect or maintain any insurance required to be effected or maintained pursuant to the provisions of this section 3.02, the Company and any such other Mortgagor will fully indemnify the Trustees and each Beneficiary against damage, loss or liability resulting from all risks for which such insurance should have been effected or maintained, and all costs payable hereunder shall constitute additional indebtedness secured by this Mortgage.

3.03. *Destruction of Property.* 3.03.1. *Mortgagor to Give Notice.* In case of any Destruction in an amount of \$100,000 or more, the Company or

the Mortgagor which is the owner of such Property will promptly give written notice thereof to the Trustees and each Beneficiary, generally describing the nature and extent of such Destruction.

3.03.2. *Restoration.* In case of any Destruction other than a Total Destruction (a "Partial Destruction"), the Company or the Mortgagor which is the owner of such Property will, at its expense, whether or not the insurance proceeds, if any, on account of such Destruction shall be sufficient for the purpose, promptly commence and complete, or cause to be commenced and completed (subject to Unavoidable Delays), Restoration of the Property as nearly as possible to its value, condition and character immediately prior to such Destruction, with such alterations and additions as may be made at the Company's or such Mortgagor's election pursuant to and subject to the conditions of section 2.07.

3.03.3. *Total Destruction.* In case of a Destruction of all or substantially all of the Improvements and Equipment included in the Property, or of all or substantially all of the Improvements and Equipment included in any plant owned or leased by any Mortgagor so that, in the good faith judgment of the Board of Directors of the Company, Restoration of such Improvements and Equipment is either not economically feasible or not permitted by law, the Company may elect, by written notice to the Trustees and each Beneficiary given within 90 days of such Destruction, not to effect Restoration. Any Destruction of the Improvements and the Equipment included in the Property referred to above in this section as to which such notice of election is given is herein called a "Total Destruction".

3.03.4. *Application of Net Insurance Proceeds.* In the event of any Destruction, the Company will, subject to the proviso to clause (b) of section 3.02.2, cause all Net Insurance Proceeds to be paid over to the First Mortgagees to be applied or dealt with by such First Mortgagees in accordance with section 3.05 of the First Mortgage, unless the same shall have been fully satisfied, in which case all Net Insurance Proceeds shall be paid over to the Trustees to be applied or dealt with by such Trustees in accordance with section 3.05 hereof. If at the time of any Total Destruction any policy or policies as required by section 3.02 are not in effect, the Company will, not less than 30 days after such Total Destruction, pay to the First Mortgagees, to the extent the indebtedness secured by the First Mortgage remains unpaid, such amount as would have been payable as Net

Insurance Proceeds if such policy or policies had been in effect at such time, and the remainder shall be paid to the Trustees.

3.04. *Taking of Property.* 3.04.1. *Mortgagor to Give Notice; Assignment of Awards, etc.* In case of a Taking of all or any part of the Property, or the commencement of any proceedings or negotiations which might result in such a Taking, the Company or the Mortgagor which is the owner of such Property will promptly give written notice thereof to the Trustees and each Beneficiary, generally describing the nature and extent of such Taking or the nature of such proceedings or negotiations and the nature and extent of the Taking which might result therefrom, as the case may be. Each Mortgagor hereby irrevocably assigns, transfers and set over to the Trustees all rights of such Mortgagor to any award or payment on account of any Taking, *provided*, that such assignment is subject to a prior assignment of such rights to the First Mortgagees and to their right to collect, receive and apply any such award or payment in accordance with the terms of the First Mortgage. The appropriate Mortgagor will in good faith and with due diligence file and prosecute what would otherwise be such Mortgagor's claim for any such award or payment and cause the same to be collected and paid over to the First Mortgagees or Trustees, as the case may be, and will irrevocably authorize and empower such First Mortgagees or Trustees, as the case may be, in the name of such Mortgagor or otherwise, to collect and to receipt for any such award or payment, and, in the event such Mortgagor fails so to act or is otherwise in default hereunder, to file and prosecute such claim. The appropriate Mortgagor will pay all costs, fees and expenses reasonably incurred by the First Mortgagees or Trustees, as the case may be, in connection with any Taking and seeking and obtaining any award or payment on account thereof.

3.04.2. *Partial Taking.* In case of a Taking of the Property other than a Total Taking (a "Partial Taking"), the Company or the Mortgagor which is the owner of the Property will, at its expense, whether or not the awards or payments, if any, on account of such Taking shall be sufficient for the purpose, promptly commence and complete, or cause to be commenced and completed (subject to Unavoidable Delays), Restoration of the Property, except to the extent made impossible by any reduction in area caused by such Taking, *provided* that in case of a Taking for temporary use the Company or the Mortgagor which is the owner of the Property shall not be required to effect Restoration until such Taking is terminated.

3.04.3. *Total Taking.* In case of the Taking of the entire Property or of that portion of the Property consisting of an entire plant owned or leased by any Mortgagor (other than for temporary use) or of such a substantial part of the Property or any such plant that, in the good faith judgment of the Board of Directors of the Company, either (a) the portion of the Property or such plant remaining after such Taking (and after Restoration) is unsuitable for use by the Company or the Mortgagor which is the owner of the Property in the operation of its business, or (b) Restoration of such portion of the Property or such plant is either not economically feasible or not permitted by law, the Company or such Mortgagor may elect, by written notice to the Trustees given within 90 days after such Taking, not to effect Restoration. Any Taking of the Property of the character referred to above in this section as to which such notice of election is given is herein called a "Total Taking".

3.04.4. *Application of Net Awards, etc.* In the event of any Taking, the Company or the Mortgagor which is the owner of the Property will cause all Net Awards to be paid over to the First Mortgagees to be applied or dealt with by such First Mortgagees in accordance with section 3.05 of the First Mortgage, unless the same shall have been fully satisfied, in which case all Net Awards shall be paid over to the Trustees to be applied or dealt with by such Trustees in accordance with Section 3.05 hereof.

3.05. *Application of Moneys by Trustees.* All moneys received by the Trustees on account of a Destruction or a Taking shall be applied as follows:

(a) All Net Insurance Proceeds received by the Trustees on account of a Total Destruction, and all payments in lieu of such Net Insurance Proceeds received by the Trustees, and all Net Awards received by the Trustees on account of a Total Taking, shall be applied to the prepayment of the Secured Indebtedness pro rata, *provided that*, if an Event of Default shall have occurred and be continuing, such amounts shall be applied in accordance with the priorities set forth in section 4.12. The aggregate amount of Net Insurance Proceeds (or amounts in lieu thereof) or Net Awards shall be applied to the prepayment of the Secured Indebtedness pro rata.

(b) All Net Insurance Proceeds received by the Trustees on account of any Partial Destruction and Net Awards received on a Partial Taking shall be applied as follows:

(i) any such Net Insurance Proceeds (except Net Insurance Proceeds received on account of any Destruction of Inventory) or

Net Awards (except Net Awards received on account of a Taking for temporary use) shall, unless a Default exists, be paid over to the Company or the Mortgagor which is the owner of the Property or as it may direct from time to time as Restoration progresses to pay the cost of Restoration (in the case of a Partial Taking, of the portion of the Property remaining after such Taking), but only upon the written request of the Company, accompanied by an Officer's Certificate (which, if the Restoration involves expenditures in excess of \$500,000, shall also be co-signed by an architect or engineer in charge of the Restoration) or other appropriate evidence satisfactory to the Trustees that (x) the sum requested has been paid or is then due and payable and is a proper item of such cost, (y) specifying the additional amount, if any, required for the completion of the Restoration, and (z) stating that no Default has occurred and is continuing, *provided* that no payment pursuant to this subparagraph (i) shall be made if, after giving effect to such payment, the balance of the Net Insurance Proceeds in respect of such Destruction or Taking then held by the Trustees shall be less than the original amount required to complete the Restoration specified in such Officer's Certificate; and upon the written request of the Company, accompanied by an Officer's Certificate or other appropriate evidence satisfactory to the Trustee that Restoration has been completed and the cost thereof paid in full and that there are no mechanics' or similar liens for labor or materials supplied in connection therewith, the balance, if any, of such proceeds shall, unless a Default exists, be paid over or assigned to the Company or as it may direct;

(ii) any such Net Insurance Proceeds received on account of any Destruction of Inventory shall, unless a Default exists, be paid over to the owner of such Inventory, or as it may direct;

(iii) in case of a Taking for temporary use, any such Net Awards shall, unless a Default exists, be held and applied, for the account of the Company, to the payment of installments of principal and interest becoming due on the Notes and the Bank Notes during the period of temporary use, all such payments to be applied ratably among the holders of the Notes and the Bank Notes, as the case may be, entitled thereto; and upon the written

request of the Company, accompanied by an Officer's Certificate or other appropriate evidence satisfactory to the Trustees that such Taking has terminated, the balance, if any, of such proceeds shall, unless a Default exists, be paid over or assigned to the Company or the Mortgagor which is the owner of the Property or as it may direct, *provided* that if any portion of the Net Awards is made by reason of any Destruction during such Taking for temporary use, such portion shall be held and applied as provided in Subparagraph (i) above after such Taking is terminated; and

(iv) if a Default exists, such Net Insurance Proceeds or Net Awards shall be held by the Trustee as part of the Trust Estate until either (x) all Defaults shall have been cured, whereupon such Net Insurance Proceeds or Net Awards shall be applied as provided in subparagraph (i), (ii) or (iii) above, as the case may be, or (y) an Event of Default shall have occurred and be continuing, whereupon such Net Insurance Proceeds or Net Awards shall be applied in accordance with the priorities set forth in section 4.12 hereof.

3.06. *Release of Insurance Proceeds.* In the event the First Mortgagees shall release, for the purpose of maintenance, repair, rebuilding or restoration of any improvements on the Property, their right to any proceeds under policies of insurance thereon or to any awards or other compensation made for any damages or losses by reason of a taking by condemnation or eminent domain of the Property or any portion thereof, the Trustees shall likewise for such purpose release their right, if any, in and to all such proceeds or awards released by the First Mortgagees.

4. REMEDIES, ETC.

4.01. *Events of Default.* It shall be an Event of Default under this Mortgage if one or more of the following events ("Events of Default") shall occur:

(a) if an "Event of Default", as defined in the Bank Loan Agreement shall occur or an event of default shall occur under or with respect to the Allied Chemical Note or the International Salt Note, or

(b) if any Mortgagor shall default in the performance of or compliance with any term herein and such default shall not have been

remedied within 30 days after written notice thereof from the Trustees or any Beneficiary specifying such default and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder.

4.02. *Enforcement, etc.* If an Event of Default shall have occurred and be continuing, then and in any and each such event the aggregate sum owing to any Beneficiary under this Mortgage shall, upon the written instruction of such Beneficiary to the Trustees in writing, be declared by the Trustees to be due and payable immediately as fully and completely as if originally stipulated then to be paid, and the Trustees or any Beneficiary may proceed to protect and enforce their respective rights by an action at law, suit in equity or other appropriate procedure; whether for the specific performance of any agreement contained herein, or for an injunction against the violation of any of the terms hereof, or in aid of the exercise of any power granted hereby or by law. Each Beneficiary agrees that if it shall declare an Event of Default with respect to any item of Secured Indebtedness held by it, such Beneficiary shall immediately notify each other Beneficiary known to it, of such action on its part, and if practicable such notice to the other Beneficiaries shall be given prior to the direction, as aforesaid, to the Trustees to declare such obligations due and payable. The Trustees may proceed to enforce the lien of this Mortgage against the entire Trust Estate, notwithstanding that the Event of Default is attributable to a condition existing with respect to only a portion of the Trust Estate.

4.03. *Foreclosure.* If an Event of Default shall have occurred and be continuing, the Trustees at any time, at their election, may proceed at law or in equity or under the power of sale herein or otherwise to foreclose the lien of this Mortgage as against all or any part of the Trust Estate, either by strict foreclosure or such other method as may be authorized by applicable law at the time in effect.

4.04. *Power of Sale.* 4.04.1. *In General.* If an Event of Default shall have occurred and be continuing, the Trustees may sell, assign, transfer and deliver the whole or, from time to time, any part of the Trust Estate, or any interest in any part thereof, except any part of the Trust Estate situated in the State of Georgia, or any interest in any part thereof, at any private sale, or at public sale or auction, without demand, advertisement or notice of the time or place of sale or adjournment thereof or otherwise, except as required

by law, for cash and for immediate or future delivery on such terms as the Trustees, in their discretion, may determine, all, however, subject to and in accordance with the requirements of applicable law at the time in effect.

4.04.2. *Georgia Property.* If an Event of Default shall have occurred and be continuing, the Trustees, at their option, may sell that portion of the Property, or any part thereof, situated in the State of Georgia at one or more public sale or sales before the door of the courthouse of the county in which the Lands or any part of the Lands are situated, to the highest bidder for cash, in order to pay the Secured Indebtedness, and all expenses of sale and of all proceedings in connection therewith, including reasonable attorneys' fees, after advertising the time, place and terms of sale once a week for four weeks immediately preceding such sale (but without regard to the number of days) in a newspaper in which Sheriff's sales are advertised in said county. At any such public sale, the Trustees may execute and deliver to the purchaser a conveyance of the affected portion of the Property in fee simple with full warranties of title, and to this end Grantors hereby constitute and appoint the Trustees the agent and attorney-in-fact of Grantors to make such sale and conveyance, and thereto to divest Grantors of all right, title and equity that Grantor may have in and to the Property and to vest the same in the purchaser or purchasers at such sale or sales, and all other acts and doings of said agent and attorney-in-fact are hereby ratified and confirmed and any recitals in said conveyance or conveyances as to the facts essential to a valid sale shall be binding upon Grantors. The aforesaid powers of sale and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise, are granted as cumulative of the other remedies provided hereby or by law for collection of the Secured Indebtedness and shall not be exhausted by one exercise thereof but may be exercised until full payment of all of the Secured Indebtedness. In the event of any sale under this Deed by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceeding or otherwise, the Property situated in the State of Georgia may be sold as an entirety or in separate parcels and in such manner or order as the Trustees in their sole discretion may elect, and one or more exercises of the powers herein granted shall not extinguish nor exhaust such powers, until the entire Property situated in the State of Georgia is sold or the Secured Indebtedness is paid in full. If the Secured Indebtedness is now or hereafter further secured by any chattel mortgages, pledges, contracts of guaranty, assignments of lease or

other security instruments, the Trustees may at their option exhaust the remedies granted under any of said security instruments either concurrently or independently, and in such order as the Trustees may determine.

4.05. *Remedies under Uniform Commercial Code.* If an Event of Default shall have occurred and be continuing, the Trustees may, with respect to any of the Property constituting personal property or other property subject to the Uniform Commercial Code in any jurisdiction, exercise any or all of the rights and remedies available to it under the Uniform Commercial Code in such jurisdiction, without limitation of any other rights or remedies granted hereby or by law. It is agreed that 15 days' notice to the Company of the date, time and place of any proposed sale by the Trustees of any such property is reasonable.

4.06. *Collection of Receivables, etc.* So long as no Event of Default shall have occurred and be continuing hereunder, the collection of Receivables shall be governed by Section 2.05.3 of this Mortgage. However, if an Event of Default shall have occurred and be continuing,

- (a) the Trustees shall have full power to collect, compromise, endorse, sell or otherwise deal with Receivables or Inventory or the proceeds thereof in their own names or that of any Mortgagor,

- (b) the Trustees may at any time notify Mortgagors' account debtors that the Receivables have been assigned and shall be paid directly to the Trustees or their designee,

- (c) upon request of the Trustees, Mortgagors will notify their respective account debtors that the Receivables have been assigned and shall be paid directly to the Trustees or their designee, and

- (d) if any Receivables shall be evidenced by promissory notes, trade acceptances, or other instruments for the payment of money, Mortgagors will immediately deliver the same to the Trustees, appropriately endorsed to the Trustees' order and, notwithstanding the form of such endorsement, each Mortgagor hereby waives presentment, demand, notice of dishonor, protest and notice of protest and all other notices with respect thereto.

4.07. *Trustees Authorized to Execute Deeds, etc.* Each Mortgagor hereby irrevocably appoints the Trustees its true and lawful attorneys, with

full power of substitution, and with full power to act in its name and on its behalf, for the purpose of effectuating the enforcement of this Mortgage and any right, power and remedy provided for herein or by law, including, without limitation, the power to enforce collection of Receivables, to execute releases, compromise or settle with any account debtors and to prosecute, defend, compromise or release any action relating thereto, to receive, open and make appropriate disposition of all mail addressed to any Mortgagor and to take therefrom any remittances of or proceeds of Receivables or Inventory, to notify Post Office authorities to change the address for delivery of the mail addressed to any Mortgagor to such address as the Trustees shall designate, to endorse the name of any Mortgagor in favor of the Trustee upon any and all checks, drafts, money orders, notes, acceptances or other instruments of the same or different nature, to sign and endorse the name of any Mortgagor on and to receive as a secured party any Receivables or Inventory, any invoices, schedules, freight or express receipts, or bills of lading, storage receipts, warehouse receipts or other documents of title of the same or different nature relating to Receivables or Inventory, to sign the name of any Mortgagor on any notice to account debtors or on verification of Receivables, to sign and file or record on behalf of any Mortgagor any financing or other statements in order to perfect or protect the Trustees' security interest hereunder or the lien of this Mortgage on any Property, to execute and deliver all such other certificates, deeds, bills of sale, assignments and other instruments in respect of the Property as the Trustees may consider necessary or appropriate, such Mortgagor hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Trustees or any purchaser, each Mortgagor shall ratify and confirm any such action, including, without limitation, any sale, assignment, transfer or delivery by executing and delivering to the Trustees or to any purchaser, assignee or transferee of any Property, all proper certificates, deeds, bills of sale, assignments, endorsements, releases and other instruments as may be designated in any such request.

4.08. *Purchase of the Property by Beneficiaries.* Any Beneficiary may be a purchaser of the Property or of any part thereof or of any interest therein at any sale thereof, pursuant to the exercise of any remedies provided in this Mortgage or by law, and may apply upon the purchase price the indebtedness secured hereby owing to such purchaser to the extent of such

purchaser's distributive share, if any, of the purchase price. Any such purchaser shall, upon any such purchase, acquire good title to the properties so purchased, free of the lien of this Mortgage and free of all rights of redemption in Mortgagors.

4.09. *Receipt a Sufficient Discharge to Purchaser.* Upon any sale of the Property or any part thereof or any interest therein, pursuant to the exercise of any remedies provided in this Mortgage or by law, the receipt of the officer making the sale under judicial proceedings or of the Trustees shall be sufficient discharge to the purchaser for the purchase money, and such purchaser shall not be obliged to see to the application thereof.

4.10. *Waiver of Appraisalment, Valuation, etc.* Mortgagors do hereby waive, to the full extent they may lawfully do so, the benefit of all appraisalment, valuation, stay, extension and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale of the Property or any part thereof or any interest therein hereunder.

4.11. *Sale a Bar Against Mortgagors.* Any sale of the Property or any part thereof or any interest therein, pursuant to the exercise of any remedies provided in this Mortgage or by law, shall forever be a perpetual bar against Mortgagors.

4.12. *Application of Proceeds.* If an Event of Default shall have occurred and be continuing, any moneys (including, without limitation, the proceeds of any sale of the Property or any part thereof or any interest therein, pursuant to the exercise of any remedies provided in this Mortgage or by law, and any insurance proceeds (including title insurance proceeds) and condemnation awards and payments) at the time held by the Trustees hereunder, shall be applied to pay:

First: all costs incurred by the Trustees in the collection thereof (including, without limitation, reasonable attorneys' fees and expenses);

Second: at the Trustees' election, any other indebtedness secured by this Mortgage and at the time due and payable (including, without limitation, all payments, costs, fees, expenses and interest referred to in section 4.17 and costs incurred by the Beneficiaries in the collection of any moneys held by the Trustees to which the Beneficiaries are entitled under this Mortgage), other than indebtedness with respect to the Secured Indebtedness at the time outstanding;

Third: all amounts of principal, and interest at the time due and payable on the Secured Indebtedness at the time outstanding and interest due and payable on (whether due at maturity or as an installment of principal or interest or by prepayment or declaration or otherwise), including, with respect to the Secured Indebtedness interest at the rate of 15% per annum on any overdue principal and (to the extent permitted under applicable law) on any overdue interest; and in case such moneys shall be insufficient to pay in full the amounts so due and unpaid on all the Secured Indebtedness, then *first*, all amounts of interest at the time due and payable on the Secured Indebtedness, pro rata according to the interest owing under each item of Secured Indebtedness, without preference or priority in favor of any item of Secured Indebtedness, and *second*, all amounts of principal, at the time due and payable on the items of Secured Indebtedness, pro rata according to the principal owing with respect to each item of Secured Indebtedness without preference or priority in favor of any of the Second Mortgage Notes; and all such payments shall be made to the Trustees to be applied ratably among the holders of Secured Indebtedness, as the case may be, entitled thereto, and

Fourth: the balance, if any, to whomsoever may be lawfully entitled thereto.

4.13. *Appointment of Receiver.* If an Event of Default shall have occurred and be continuing, the Trustees shall, as a matter of right, to the extent permitted by applicable law, be entitled to the appointment of a receiver for all or any part of the Trust Estate, whether such receivership be incidental to a proposed sale of the Trust Estate or otherwise, and Mortgagors hereby consent to the appointment of such a receiver and covenant not to oppose any such appointment. Any receiver so appointed shall have such powers as may be conferred by the appointing authority, including any or all of the powers which the Trustees are authorized to exercise by this Mortgage, and shall have the right to incur such obligations and to issue such certificates therefor as the appointing authority shall authorize. Notwithstanding the appointment of any receiver, liquidator or trustee of Mortgagors or any of their respective properties or assets or of the Trust Estate or any part thereof, the Trustees shall be entitled to retain possession of and control of all property now or hereafter pledged with or held by the Trustee hereunder.

4.14. *Possession, Management and Income; Assignment.* If an Event of Default shall have occurred and be continuing, the Trustees, without further notice, may, to the extent permitted by applicable law, enter upon and take possession of the Trust Estate or any part thereof by force, summary proceedings, ejectment or otherwise and may remove Mortgagors and all other Persons and any and all property therefrom, and may hold, operate and manage the same and receive all earnings, income, tolls, rents, issues, profits and proceeds accruing with respect thereto or any part thereof, and without limiting the generality of the granting clauses or this section 4, Mortgagors hereby (a) assign, transfer and set over to the Trustees all such sums due or to become due in respect of the Trust Estate or any part thereof, together with full power and authority in the name of the Trustees or Mortgagors or any of them or otherwise, to enforce, collect, receive or receipt for any and all of such sums and (b) irrevocably authorize the Trustees to direct the payment thereof to the Trustees or as the Trustees may from time to time direct. Neither the Trustees nor any Beneficiary shall be under any liability for or by reason of any such taking of possession, entry, removal or holding, operation or management, except that any amounts so received by the Trustees shall be applied to pay, *first*, all costs and expenses of so entering upon, taking possession of, holding, operating and managing the Trust Estate or any part thereof, and any taxes, assessments or other charges, prior to the lien of this Mortgage, which the Trustees may consider it necessary or desirable to pay and, *second*, in accordance with subparagraphs *Second*, *Third*, and *Fourth* of section 4.12.

4.15. *Trustees May Enforce Rights Without Notes.* All rights or action under this Mortgage or under any of the Secured Indebtedness may be enforced by the Trustees without the possession of any of the instruments which evidence such Secured Indebtedness and without the production thereof at any trial or other proceedings relative thereto. Any such suit or proceedings instituted by the Trustees shall be brought in their own names or as Trustees, and any recovery of judgment shall be subject to the rights of the Trustees, for the ratable benefit of all the Beneficiaries at the time outstanding.

4.16. *Trustees May File Proofs of Claim.* The Trustees are hereby irrevocably appointed (and the successive respective Beneficiaries, by taking and holding any part of the Secured Indebtedness, shall be conclusively deemed to have so appointed the Trustees) the true and lawful attorney-in-

fact of the respective Beneficiaries with authority to make or file, irrespective of whether the Secured Indebtedness or any part of it is in default as to payment of principal or interest, in the respective names of the Beneficiaries, or on behalf of all Beneficiaries as a class, any proof of debt, amendment to proof of debt, petition or other document; to execute any other papers and documents and to do and perform any and all acts and things for and on behalf of the respective Beneficiaries, or on behalf of all such Beneficiaries as a class, as may be necessary or advisable, in the opinion of the Trustees in order to have the respective claims of the Beneficiaries against any Mortgagor allowed in any equity receivership, insolvency, liquidation, bankruptcy, reorganization or other proceedings to which any Mortgagor shall be a party; and except to the extent that the Beneficiaries shall have filed individual claims in any such proceeding on their own behalf, to receive payment of or on account of such claim, and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by such Beneficiary to make such payments to the Trustees; *provided*, that in no case shall the Trustees have any right to accept or consent to any plan of reorganization on behalf of any Beneficiary or in any such proceeding to waive or change in any way any right of any such Beneficiary even though it may otherwise be entitled so to do under any present or future law, all such power or authorization being hereby expressly denied. The Trustees shall have full power of substitution and delegation in respect of any such powers.

4.17. *Right of the Trustees to Perform Mortgagors' Covenants, etc.* If any Mortgagor shall fail to make any payment or perform any act required to be made or performed hereunder, the Trustees, upon the written instruction of any Beneficiary, without notice to or demand upon any Mortgagor and without waiving or releasing any obligation or default, may (but shall be under no obligation to) at any time thereafter make such payment or perform such act for the account and at the expense of such Mortgagor, and may enter upon the Trust Estate or any part thereof for the purpose and take all such action thereon as, in the Trustees' opinion, may be necessary or appropriate therefor. All sums so paid by the Trustees and all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) so incurred, together with interest thereon at the rate of 11.50% per annum from the date of payment or incurrence, shall constitute additional indebtedness secured by this Mortgage and shall be paid by the Company to the Trustees on demand.

4.18. *Remedies, etc., Cumulative.* Each right, power and remedy of the Trustees and the Beneficiaries provided for in this Mortgage or now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Mortgage or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Trustees or any one or more of the rights, powers or remedies provided for in this Mortgage or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise of any or all such other rights, powers or remedies.

4.19. *Discontinuance of Proceedings.* In case the Trustees shall have proceeded to enforce any right, power or remedy under this Mortgage by foreclosure, entry or otherwise or in the event the Trustees commence advertising of the intended exercise of the sale under power provided hereunder, and such proceeding or advertisement shall have been withdrawn, discontinued or abandoned for any reason, or shall have been determined adversely to the Trustees, then in every such case (a) Mortgagors and the Trustees shall be restored to their former positions and rights, (b) all rights, powers and remedies of the Trustees shall continue as if no such proceeding had been taken, (c) each and every Event of Default declared or occurring prior or subsequent to such withdrawal, discontinuance or abandonment shall be and shall be deemed to be a continuing Event of Default (unless a proceeding with respect to such Default shall have been determined adversely to the Trustees) and (d) neither this Mortgage nor any Secured Indebtedness nor any other instrument concerned therewith, shall be or shall be deemed to have been reinstated or otherwise affected by such withdrawal, discontinuance or abandonment: and Mortgagors hereby expressly waive the benefit of any statute or rule of law now provided, or which may hereafter be provided, which would produce a result contrary to or in conflict with the above.

4.20. *Suits to Protect the Property.* The Trustees shall have the power to institute and maintain such suits and proceedings as they may deem expedient (a) to prevent any impairment of the Property by any acts which may be unlawful or constitute a Default under this Mortgage, (b) to preserve or protect the interest of the Beneficiaries in the Property and in the incomes, rents, issues, profits and revenues arising therefrom and (c) to restrain the enforcement of or compliance with any legislation or other

government enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Beneficiaries.

4.21. *Provisions Subject to Applicable Law.* All rights, powers and remedies provided herein may be exercised only to the extent that the exercise thereof does not violate any applicable law, and are intended to be limited to the extent necessary so that they will not render this Mortgage invalid, unenforceable or not entitled to be recorded, registered or filed under any applicable law. If any term of this Mortgage shall be held to be invalid, illegal or unenforceable, the validity of other terms of this Mortgage shall in no way be affected thereby.

4.22. *No Waiver, etc.* No failure or delay by the Trustees or any Beneficiary to insist upon the strict performance of any term hereof or to exercise any right, power or remedy consequent upon a breach thereof, shall constitute a waiver of any such term or of any such breach. No waiver of any breach shall affect or alter this Mortgage, which shall continue in full force and effect with respect to any other then existing or subsequent breach. No act or omission by the Trustees shall release, discharge, modify, change or otherwise affect the original liability under the Second Mortgage Notes, this Mortgage or any other obligation of Mortgagors or any subsequent purchaser of the Property or any part thereof, or any maker, co-signer, endorser, surety or guarantor, or preclude the Trustees from exercising any right, power or privilege herein granted or intended to be granted in the event of any Default then made or of any subsequent Default, or alter the security title, security interest or lien of this Mortgage except as expressly provided in an instrument or instruments executed by the Trustees pursuant to the prior instructions of the Beneficiaries as provided in section 5.01(e) of this Mortgage.

4.23. *Powers Coupled with an Interest.* In each instance contained in sections 4.01 to 4.22, inclusive, of this Mortgage whereby Mortgagors grant a power to the Trustees to act in the name of Mortgagors, or on their behalf, such power shall be deemed to be coupled with an interest and irrevocable.

4.24. *Subordination to First Mortgage.* In consideration of the consent of the holders of the indebtedness secured by the First Mortgage to the granting of this Mortgage, the Trustees hereby agree for the express benefit

of the holders of the indebtedness secured by the First Mortgage that so long as any of the indebtedness secured by the First Mortgage remains unpaid and notwithstanding any other provision of this Mortgage:

(a) this Mortgage is junior, subject and subordinate in all respects to the First Mortgage, and to all amendments, modifications, renewals and extensions of the First Mortgage (all of which may be entered into without notice to the Trustees hereunder) notwithstanding that such amendments, modifications, renewals or extensions may increase the amount of principal or interest secured thereunder; and all Secured Indebtedness is junior and subordinated to the indebtedness secured by the First Mortgage as and to the extent set forth in Schedule J hereto with respect to the subordination of Subordinated Debt to Senior Debt, and all amounts payable or paid to the Trustees or any holder of Secured Indebtedness hereunder shall be subject to such provisions;

(b) this Mortgage may not be amended or modified, without the prior written consent of the First Mortgagees;

(c) the Trustees shall provide the First Mortgagees with prompt notice of all Defaults occurring under this Mortgage;

(d) without the prior written consent of the First Mortgagees, no foreclosure, exercise of a power of sale or other action or proceeding shall be brought under this Mortgage, none of the rights provided in sections 4.02 through 4.23 hereof, including, without limitation, any right to receive or collect any sums secured by this Mortgage, may be exercised by the Trustees or any Beneficiary and none of the Mortgageors' covenants hereunder may be performed by the Trustees or any Beneficiary with respect to (x) the Trust Estate, or (y) any lessee or user of any portion of the Trust Estate where the effect might be to terminate any lease or agreement for use, and no such foreclosure or other action or proceeding shall name any such lessee or user as a party thereto;

(e) if, after the consent of the First Mortgagees has been obtained in accordance with subsection 4.24(d) above, the Trustees shall take any action to foreclose or otherwise enforce this Mortgage or any covenant of this Mortgage, (i) prompt notice of such action shall be given to the First Mortgagees, and true copies of all instruments delivered, served or entered in connection with such action shall be

promptly delivered to the First Mortgagees, (ii) no portion of the rents, issues and profits of the Trust Estate shall be collected except through a receiver appointed by a court in connection with a foreclosure proceeding, or by the First Mortgagees in connection with any other action taken by the Trustees, and (iii) such rents, issues and profits collected by such receiver or First Mortgagees shall be applied first to the payment of all principal, interest and other sums secured by the First Mortgage which are then due and payable, and the Trustees shall not be entitled to any portion thereof until all indebtedness secured by the First Mortgage which is then due and payable shall have been paid in full; however, if the First Mortgagees shall foreclose or otherwise enforce the First Mortgage at the same time or subsequent to any foreclosure, exercise of power of sale or enforcement of this Mortgage by the Trustees, then *all* such rents, issues and profits collected by any receiver shall be paid to the First Mortgagees until all indebtedness secured by the First Mortgage shall have been paid in full;

(f) the Trustees shall not acquire, by subrogation or otherwise, any lien, estate, right or other interest in the Property which is, or may be, prior in right to this Mortgage, including, without limitation, advances for real estate taxes and assessments;

(g) to further evidence the subordination referred to in this section 4.24, the Trustees agree that, within ten days after request by the First Mortgagees, they will do, acknowledge and deliver all and every such further acts, deeds, conveyances and instruments as the First Mortgagees may request for the better assuring and evidencing of the foregoing subordination.

5. THE TRUSTEES

5.01. *Duties.* By its acceptance of the trusts hereunder, the Trustees, and each of them, undertakes, for the pro rata benefit of the Beneficiaries, to take such action from time to time for the protection and enforcement of their rights under this Mortgage as may be necessary or appropriate in the interests of the Beneficiaries, *provided* that:

(a) the Trustees, or either of them, shall not be obligated to take any action under this Mortgage or pursuant to the written instructions from the Beneficiaries which might in their, or either of their, reasonable judgment involve them, or either of them, in any expense or

liability unless they shall have been furnished with reasonable indemnity;

(b) unless and until an Event of Default shall have occurred and be continuing, the Trustees, or either of them, shall not be obligated to take any action under this Mortgage except for the performance of such duties as are specifically set forth herein and except as may be requested from time to time in writing by the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding (to the extent such request (i) directs the time, method and place of conducting any proceeding for any remedy available to the Trustees or exercising any trust or power conferred on the Trustees and (ii) does not conflict with any rule of law on this Mortgage), and no implied covenants or obligations shall be read into this Mortgage against the Trustees;

(c) the Trustees, or either of them, in the absence of actual knowledge, shall not be deemed to have knowledge of the existence of any Default or Event of Default unless notified thereof in writing by any Mortgagor or any Beneficiary;

(d) if and so long as an Event of Default known to the Trustees shall have occurred and be continuing, the Trustees, and each of them, shall exercise such of the rights, powers and remedies vested in it by this Mortgage, including such rights, powers and remedies conferred on or available to the Trustees (to the extent such rights powers and remedies do not conflict with any rule of law on this Mortgage), or as it or he may be requested in writing to exercise by the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding, and shall use the same degree of care and skill in such exercise as a prudent man would use under the circumstances in the conduct of his own affairs;

(e) the Trustees, and each of them, may at any time request written instructions from the Beneficiaries with respect to the interpretation of this Mortgage or action to be taken or suffered or not taken hereunder and may withhold action hereunder until it shall have received such written instructions from the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding;

(f) in the absence of bad faith on the part of the Trustees, or either of them, the Trustees, and each of them, may rely upon the authenticity of, and the truth of the statements and the correctness of

the opinions expressed in, and shall be protected in acting or refraining from acting upon, any resolution, Officer's Certificate, opinion of counsel, note, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgement, verification, appraisal, report, stock certificate or other paper or document believed by the Trustees to be genuine and to have been signed, affixed or presented by the proper party or parties;

(g) the Corporate Trustee shall not be responsible for any error of judgment made in good faith by a Responsible Officer or Officers of the Corporate Trustee unless it shall be proved that the Corporate Trustee was negligent in ascertaining the pertinent facts;

(h) the Individual Trustee shall not be liable for any error of judgment made by him in good faith, unless it shall be proved that he was negligent in ascertaining the pertinent facts; and

(i) the Trustees may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Trustees shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by them hereunder.

5.02. *Limitation on Liability.* Nothing contained herein shall relieve either Trustee from liability for its own negligent action, negligent failure to act, bad faith or willful misconduct, except that (a) this section 5.02 shall not be construed to limit the effect of section 5.01(a), (b), (c), (e), (f), (g) and (h), and (b) the Trustees, or either of them, shall not be under any liability with respect to any action taken or suffered or not taken in good faith in accordance with the written request or instructions of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding.

5.03. *No Responsibility for Recitals, etc.* Neither Trustee assumes any responsibility for the correctness of the recitals and statements contained herein or makes any representation as to the validity or sufficiency hereof, or as to the security or other interests afforded hereby, or as to the title of Mortgagors to the Trust Estate or as to the descriptions thereof. Neither Trustee shall be accountable for the use or application by Mortgagors of any of the Secured Indebtedness or of the proceeds thereof.

5.04. *Officer's Certificate of Company as Proof.* Whenever, in the administration of the trusts created by this Mortgage, the Trustees, or either of them, shall consider it necessary or desirable that any matter be proved or established prior to its taking or permitting or omitting any action here-

under, such matter (unless other evidence in respect thereof is specifically prescribed herein) may, subject to sections 5.01 and 5.02, be deemed to be conclusively proved and established by an Officer's Certificate of the Company delivered to the Trustees, and, subject as aforesaid, such Officer's Certificate shall be full warrant and authority to the Trustees, and each of them, for any action taken, permitted or omitted by it or him under this Mortgage in reliance thereon, *provided* that the Trustees, or either of them, in their discretion may, notwithstanding section 5.01(b) and if requested in writing to do so by the holders of at least 10% in principal amount of the Secured Indebtedness at the time outstanding and furnished with security and indemnity against the costs and expenses of such examinations as provided in section 5.01 shall, require such further and additional evidence and make such further investigation as the Trustees may consider reasonable.

5.05. *Compensation and Expenses; Lien Therefor.* The Company will from time to time, on demand, pay to the Trustees such compensation (which compensation shall not be limited by any provision of law in regard to compensation of a trustee of an express trust) for their services hereunder as shall be agreed to by the Company and the Trustees, or, in the absence of such agreement, reasonable compensation for such services, and pay (or reimburse the Trustees for) all reasonable expenses of the Trustees hereunder, including, without limitation, the reasonable compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustees may employ in connection with the exercise and performance of their rights and duties hereunder. The Company will also indemnify and save each Trustee harmless against any losses, expenses and liabilities, not arising from its or his own default or negligence, which it or he may incur in the exercise and performance of its or his rights and duties hereunder, including costs and expenses of defending against any claim or liability in connection with the exercise or performance of its powers or duties hereunder. As security for the performance of the obligations of the Company under this section 5.05 the Trustees shall have a lien prior to the Secured Indebtedness upon all property and funds held or collected by the Trustees as such.

5.06. *Amendment, etc. of Mortgage.* Without the prior written instruction of the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding, the Trustees shall not (a) agree to any amendment or modification of this Mortgage, or (b) consent to or accept any cancellation or termination of this Mortgage.

5.07. *Funds Held in Trust; Segregation; Investment of Moneys by Trustees.* All funds received by the Trustees, or either of them, under or pursuant to this Mortgage shall constitute trust funds for the purpose for which they were paid or are held, but need not be segregated in any manner from any other moneys, and may be held or deposited by the Trustees, or either of them, under such conditions as may be prescribed by law for trust funds, *provided*, that anything herein contained to the contrary notwithstanding, unless and until an Event of Default shall have occurred and be continuing, the Trustees shall, upon the written request of the Company apply any moneys at the time held by the Trustees hereunder to the purchase of such Authorized Securities as may be specified in such request, which shall be held as part of the Trust Estate. Any Authorized Securities so purchased shall be sold at any time upon the written request of the Company, and the proceeds thereof and of any Authorized Securities which shall have matured (exclusive of any amount received or collected for interest thereon in excess of interest or premium, if any, paid as part of the purchase price thereof and, in the case of Authorized Securities purchased at a discount, exclusive of any portion of the principal thereof in excess of the purchase price thereof) shall be held and applied in the same manner as is herein provided in respect of the moneys used to purchase such Authorized Securities. Interest and principal, if any, excluded as aforesaid shall be paid to the Company, unless and until an Event of Default shall have occurred and be continuing to the knowledge of the Trustees. If the net proceeds of any Authorized Securities upon any sale or maturity thereof (including all interest not payable to the Company as aforesaid) shall be less than the amount paid in the purchase thereof, the Company will pay the amount of such deficiency to the Trustees, and the Trustees shall have the right, but no obligation, to make demand on the Company for any such payment.

5.08. *Resignation of Trustees.* The Trustees, or either of them, may resign and be discharged from the trusts created hereby by delivering notice thereof to the Company (and, in the case of resignation of the Individual Trustee, to the Corporate Trustee) and by giving written notice thereof to all of the Beneficiaries, specifying a date (not earlier than 45 days after the giving of such notice) when such resignation shall take effect. Such resignation shall take effect on the date specified in such notice, unless previously a successor Trustee shall have been appointed as provided in section 5.10, in which event such resignation shall take effect immediately upon the appointment of such successor Trustee.

5.09. *Removal of Trustee.* The Trustees, or either of them, may be removed at any time, for or without cause, by an instrument or instruments in writing executed by the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding and delivered to the Trustee or Trustees to be removed (and, in the case of removal of the Individual Trustee, to the Corporate Trustee), a copy of which shall be forthwith sent by such holders to the Company, specifying the removal and the date when it shall take effect.

5.10. *Appointment of Successor Trustees.* In case at any time the Trustees, or either of them, shall resign or be removed, or, in the case of the Individual Trustee, shall die or become incapable of acting, a successor Trustee (eligible, in the case of a successor Corporate Trustee, as provided in section 5.13) may be appointed by an instrument or instruments in writing executed by the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding (or, in the case of an appointment of a successor Individual Trustee, by the Corporate Trustee) and filed with such successor Trustee. Until a successor Corporate Trustee shall be so appointed, the Company shall appoint a successor Corporate Trustee (eligible as provided in section 5.13) to fill such vacancy, such appointment to be effected by an instrument in writing delivered to such successor Corporate Trustee. Promptly after any such appointment, the Company (or, in the case of any such appointment of a successor Individual Trustee, the Corporate Trustee) shall give written notice thereof to each Beneficiary (and, in the case of any such appointment of a successor Individual Trustee, the Company). Any successor Trustee so appointed by the Company or the Corporate Trustee shall immediately and without further act be superseded by a successor Trustee appointed by the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding in the manner provided above in this section 5.10. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this section 5.10 within six months after a vacancy shall have occurred in the office of either Trustee, any Beneficiary or such retiring Trustee (but not if such retiring Trustee has been removed) may apply to any court of competent jurisdiction to appoint a successor Trustee, and such court may thereupon, after such notice, if any, as it may consider proper, appoint a successor Trustee, eligible, in the case of a successor Corporate Trustee, as provided in section 5.13.

5.11. *Succession of Successor Trustee.* Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and the predecessor Trustee an instrument accepting such appointment, and thereupon such successor Trustee, without further action, shall become vested with the title to the Trust Estate, and with all the rights and duties of the predecessor Trustee hereunder, with like effect as if originally named as Trustee herein. Upon the request of any such successor Trustee, however, each Mortgagor and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for the vesting in and better assuring to such successor Trustee the title to the Trust Estate and all such rights and duties of the predecessor Trustee, and the predecessor Trustee shall also assign and deliver to the successor Trustee any property subject to the lien of this Mortgage which may then be in its or his possession.

5.12. *Joinder of Individual Trustee.* Michael J. Pellino has been joined as Individual Trustee hereunder in order to comply with any legal requirements respecting trustees under mortgages of property in the jurisdictions, or any of them, in which the Trust Estate or any part thereof is or may be situated and so that if, by any present or future law in any jurisdiction in which it may be necessary to perform any act in the execution of the trusts created hereby, the Corporate Trustee shall be incompetent or unqualified so to act, then all the acts required to be performed in such jurisdiction in the execution of the trusts created hereby shall be performed by the Individual Trustee and the Corporate Trustee, jointly, or the Individual Trustee acting alone. Notwithstanding any other provision in this Mortgage, the Individual Trustee shall act in accordance with and be subject to the same terms and conditions as are set forth in paragraphs (a) to (e), inclusive, of section 5.15 with respect to a co-trustee or a separate trustee. In case the Individual Trustee shall resign or be removed, or die or become incapable of acting, the title to the Trust Estate, and all rights, powers, trusts, duties and obligations of the Trustees shall, so far as permitted by law, vest in and be exercised by the Corporate Trustee, unless and until a successor Individual Trustee shall be appointed in the manner herein provided. The Individual Trustee shall not be personally liable by reason of any act or omission of the Corporate Trustee or any co-trustee or separate trustee or by reason of any act or omission of the Individual Trustee taken or omitted to be taken pursuant to written instructions received by him from the Corporate Trustee. Notice to the Corporate Trustee or a co-trustee or separate trustee shall not constitute

notice to the Individual Trustee unless and until such notice is actually received by the Individual Trustee.

5.13. *Eligibility of Corporate Trustee.* The Corporate Trustee shall always be a state or national bank or trust company in good standing, organized under the laws of the United States of America or one of the States thereof having its principal office in the Borough of Manhattan, the City of New York, and having a capital, surplus and undivided profits to its shareholders aggregating at least \$75,000,000, if there be such a bank or trust company willing and able to accept such trust upon reasonable and customary terms. In case at any time the Corporate Trustee shall cease to be eligible in accordance with the provisions of this section 5.13, the Corporate Trustee shall resign immediately in the manner and with the effect specified in section 5.09.

5.14. *Successor Corporate Trustee by Merger, etc.* Any corporation into which the Corporate Trustee may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Corporate Trustee shall be a party, or any state or national bank or trust company in any manner succeeding to the corporate trust business of the Corporate Trustee as a whole or substantially as a whole, if eligible as provided in section 5.13, shall be the successor of the Corporate Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything to the contrary contained herein notwithstanding.

5.15. *Co-Trustees and Separate Trustees.* At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the holders of 66⅔% in principal amount of the Secured Indebtedness at the time outstanding, shall have power, without any action by the Company, to appoint, and to execute and deliver all instruments and agreements necessary or proper to appoint, one or more individuals or corporations approved by the Corporate Trustee either to act as co-trustee, or co-trustees, jointly with the Trustees, of all or any part of the Trust Estate, or to act as separate trustee or separate trustees of all or any part of the Trust Estate, and to vest in such individuals or corporations, in such capacity, such title to the Trust Estate or any part thereof, and such rights or duties as such holders may consider necessary or desirable, subject to the remaining provisions of this section 5.15. Each Mortgagor and the Trustees shall execute, acknowledge and deliver all such

instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights or duties to such co-trustee or separate trustee. Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms and conditions:

(a) All rights and duties conferred or imposed by this Mortgage upon the Trustees, or either of them, in respect of the custody, control or management of moneys, papers, securities and other personal property shall be exercised solely by the Corporate Trustee.

(b) All rights and duties conferred or imposed by this Mortgage upon the Trustees, or either of them, shall be conferred or imposed upon and exercised or performed by the Corporate Trustee, or by the Corporate Trustee and such co-trustee or co-trustees or separate trustee or separate trustees jointly, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Corporate Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(c) Subject to the provisions of sections 5.01 and 5.02, and except as may be otherwise expressly provided herein, any request in writing by the Corporate Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(d) Any co-trustee or separate trustee may delegate to the Corporate Trustee the exercise of any right or duty, discretionary or otherwise, conferred or imposed by this Mortgage.

(e) Any moneys, securities, title documents or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Corporate Trustee.

(f) The Trustees at any time, by an instrument in writing, and without any approval of or action by the Company, may accept the resignation of or remove any co-trustee or separate trustee appointed under this section 5.15. Upon the written request of the Trustees, the

Company shall join with the Trustees in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this section 5.15.

(g) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of the Trustees, or either of them, or any other co-trustee or separate trustee.

(h) Any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing, executed by the Beneficiaries and delivered to the Trustees, or either of them, hereunder, shall be deemed to have been delivered to such co-trustee or separate trustee.

Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with such title to the Trust Estate or any part thereof, and with such rights and duties, as shall be specified in the instrument of appointment, jointly with the Trustees (except in so far as local law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Mortgage. Every such acceptance shall be filed with the Trustees. Any co-trustee or separate trustee may, at any time by an instrument in writing, constitute the Trustees, or either of them, its or his attorney-in-fact and agent, with full power and authority to do all acts and things and to exercise all discretion on its behalf and in its or his name. In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights and duties of such co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by each Trustee without the appointment of a successor to such co-trustee or separate trustee.

5.16. *New York Real Property Law.* To the extent, if any, that Article 4-A of the New York Real Property Law, as in effect from time to time, may apply to this Mortgage or the Transactions contemplated hereby, the Trustees shall have the powers and be subject to the duties set forth in section 126 of the New York Real Property Law, as in effect on the date of this Mortgage as originally executed. There are hereby incorporated by reference in this Mortgage the provisions described in paragraphs (a) through (f) of section 130-k of the New York Real Property Law, as in effect on the date of this Mortgage as originally executed, including, without

limitation, all provisions which are permitted by the terms of paragraphs (b)(1) and (b)(9) of such section 130-k to be included in any indenture. To the extent that any applicable provision of Article 4-A of the New York Real Property Law conflicts with any provision of this Mortgage, the relevant provision of Article 4-A shall be controlling.

6. MISCELLANEOUS

6.01. *Scope and Limitation of Obligations.* Notwithstanding any other provision of this Mortgage, the Company undertakes to perform and observe and shall be liable and responsible for all obligations, covenants, representations and warranties of each other Mortgagor and all the terms and conditions hereof. Notwithstanding any other provision of this Mortgage, the rights, obligations and liabilities of the Mortgagors other than the Company hereunder are subject to the following limitations: (a) each such Mortgagor undertakes to perform and observe and shall be liable and responsible for only those obligations, covenants, representations, warranties, terms and conditions hereof which pertain to any of the Lands owned by it, the Improvements and Equipment located thereon, the Receivables and Inventory owned by it and any other Property owned by it; and (b) no Mortgagor other than the Company shall have personal liability with respect to the payment of the principal of and premium, if any, and interest on any Secured Indebtedness, and no Mortgagor shall do anything which will impede or prevent any other Mortgagor from performing or observing any of the obligations, covenants, terms or conditions of this Mortgage.

6.02. *Further Assurances.* Each Mortgagor at the expense of the Company will execute, acknowledge and deliver all such instruments and take all such action as the Trustees from time to time may reasonably request for the better assuring to the Trustees of the properties and rights now or hereafter subjected to the lien hereof or assigned hereunder or intended so to be.

6.03. *Additional Security.* Without notice to or consent of any Mortgagor, and without impairment of the lien and rights created by this Mortgage, the Trustees may accept (but Mortgagors shall not be obligated to furnish) from any Mortgagor, or from any other Person, additional security for any Secured Indebtedness at the time outstanding. Neither the

giving of this Mortgage nor the acceptance of any such additional security shall prevent the Trustees from resorting, *first*, to such additional security, or, *second*, to the security created by this Mortgage, in either case without affecting the lien hereof and rights hereunder.

(c) the provisions of subparagraphs (a) and (b) of this paragraph 1 limiting a Suspension shall not be applicable to any Subordinated Debt the maturity of which has been accelerated or which has otherwise been declared to be due and payable prior to the stated maturity thereof.

2. In the event that any holder of Subordinated Debt shall receive any payment on Subordinated Debt which it is not entitled to receive under the provisions of the foregoing paragraph 1, it will hold any amount so received in trust for the holders of Senior Debt and will forthwith turn over such payment to such holders of Senior Debt to be applied on Senior Debt, ratably according to the respective aggregate amounts remaining unpaid thereon, until all Senior Debt has been paid in full; *provided*, that any such amount that has been received by a holder of Subordinated Debt that is not aware that an Event of Default or Default has occurred and is continuing, need not be held in trust for more than the longer of (x) one year after it has been received by such holder, or (y) 20 days after receipt by the holders of such Senior Debt of a report of independent auditors for the Company covering the period during which such payment was made and advising whether their

review has disclosed an Event of Default or Default; and such amount need not be turned over as provided in this paragraph 2 unless, prior to the end of the longer of such periods, such holder has received written notice from the Company or from any holder of Senior Debt that an Event of Default or Default has occurred and is continuing.

3. No holder of Subordinated Debt will commence any action or proceeding against the Company to recover all or any part of the Subordinated Debt or join with any creditor, except to enforce its rights under paragraph 1(b) after the termination of any Suspension, unless the holder or holders of at least 66⅔% in principal amount of all Senior Debt shall also join, in bringing any proceedings against the Company under any bankruptcy, reorganization, readjustment of debt, arrangement of debt, receivership, liquidation or insolvency law or statute of the Federal or any State government unless and until Senior Debt shall be paid in full.

4. In the event of any liquidation, dissolution or other winding up of the Company, or in the event of any receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization or arrangement with creditors, whether or not pursuant to bankruptcy laws, sale of all or substantially all of the assets or any other marshalling of the assets and liabilities of the Company, (i) all Senior Debt shall first be paid in full before any holder of Subordinated Debt shall be entitled to receive any moneys, dividends or other assets in any such proceeding, and (ii) each holder of Subordinated Debt will at the request of any holder of Senior Debt file any claim, proof of claim or other instrument of similar character necessary to enforce the obligations of the Company in respect of Subordinated Debt and will hold in trust for the holders of Senior Debt and pay over to the holders of Senior Debt to be applied on Senior Debt, ratably according to the respective aggregate amounts remaining unpaid thereon, any and all moneys, dividends or other assets received in any such proceeding on account of Subordinated Debt, unless and until all Senior Debt shall be paid in full. In the event any holder of Subordinated Debt shall fail to take such action requested by any holder of Senior Debt, any holder of Senior Debt may, as attorney-in-fact for such holder of Subordinated Debt, take such action on behalf of such holder of Subordinated Debt and each such holder of Subordinated Debt hereby appoints each holder of Senior Debt as its attorney-in-fact to demand, sue for, collect and receive any and all such moneys, dividends or other assets and give

acquittance therefor and to file any claims, proof of claim or other instrument of similar character and to take such other action (including acceptance or rejection of any plan of reorganization or arrangement) in the name of such holder of Senior Debt or in the name of such holder of Subordinated Debt as such holder of Senior Debt may deem necessary or advisable for the enforcement of the agreement contained herein; and each holder of Subordinated Debt will execute and deliver to each holder of Senior Debt such other and further powers of attorney or other instruments as any holder of Senior Debt may request in order to accomplish the foregoing.

5. Notwithstanding the fact that one or more holders of Senior Debt agree with the Company, without the consent of or notice to any holder of Subordinated Debt, at any time or from time to time, to do any of the following:

(a) change the amount, manner, place or terms of payment or change or extend the time of payment of or renew or alter Senior Debt or amend the Note and Warrant Agreement and Bank Loan Agreement in any manner or enter into or amend in any manner any other agreement relating to Senior Debt (including provisions restricting or further restricting payments of principal of and interest on Subordinated Debt);

(b) sell, exchange, release or otherwise deal with any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, Senior Debt;

(c) release anyone liable in any manner for the payment or collection of Senior Debt;

(d) exercise or refrain from exercising any rights against the Company and others (including any holder of Subordinated Debt); and

(e) apply any sums by whomsoever paid or however realized to Senior Debt;

such holder or holders of Senior Debt shall not thereby incur any responsibility to any holder of Subordinated Debt and such action shall not impair or release any of the rights of any holder of Senior Debt or any of the obligations of any holder of Subordinated Debt hereunder.

INTRODUCTORY STATEMENT

The Company and one of its subsidiaries is a party to a Credit Agreement, dated as of September 30, 1978, with the Bank under which the principal amount of \$9,209,174 is outstanding as of the date hereof (said Agreement, as modified to the date hereof is hereinafter referred to as the "Existing Credit Agreement"). The obligations of the Company and its subsidiary to the Bank under the Existing Credit Agreement are secured by mortgages and security interests on substantially all of the assets of the Company and such subsidiary (the "Existing Collateral Security").

The Company proposes to acquire three chlorine-caustic soda plants from Allied Chemical Corporation, a New York corporation ("Allied Chemical") which are located at Geddes, New York, Brunswick, Georgia and Acme, North Carolina, together with certain other properties and assets located thereat, relating thereto or used in connection therewith (the "Allied Chemical Assets"). The acquisition is provided for in an Acquisition Agreement, dated as of December 11, 1979, between Allied Chemical and the Company (the "Acquisition Agreement"). Simultaneously with the acquisition, the Company will refinance the unpaid principal amount of its indebtedness under the Existing Credit Agreement. In order to assist it to accomplish these objectives, the Company will issue and sell \$27,000,000 of its 11.50% secured promissory notes due December 31, 1994 to The Prudential Insurance Company of America (the "Insurance Company Notes"), together with warrants to purchase 275,000 shares of Class B Common Stock of the Company (the "Insurance Company Warrants"). The Company will also issue a

subordinated promissory note to Allied Chemical (the "Allied Chemical Note") which will be secured by a second mortgage lien and second priority security interest on substantially all of the assets of the Company and its Subsidiaries. The Company will obtain from the Bank the financing facilities for which this Agreement provides. The Existing Credit Agreement will be terminated and the Existing Collateral Security will be released. Simultaneously with such release, the Mortgage (as hereinafter defined) and the Second Mortgage (as hereinafter defined) will be placed on certain assets of the Company and its Subsidiaries.

SECTION 2. AMOUNT AND TERMS OF THE SEVERAL
LOAN FACILITIES

2.1 The Term Loan Commitments. (a) Subject to the terms and conditions of this Agreement, the Bank agrees (i) to make a term loan to the Company in the principal amount of up to \$12,000,000 minus the principal amount of the loan to be made pursuant to the Interim IDA Commitment on any business day on or before January 30, 1980 (the "Term Loan Commitments") and (ii) to make a term loan to the Company on the earlier of (A) the date on which the IDA Bond is sold to the Bank or (B) on March 15, 1980 in a principal amount equal to the amount, if any, by which the unpaid principal amount of the Interim IDA Note exceeds the principal amount, if any, of the IDA Bond (the "Supplemental Term Loan Commitment").

In addition, in the circumstances described in subsection 2.3 (c) below, the Bank, subject to the terms and conditions of this Agreement, will make an additional term loan to the Company in the principal amount of up to \$2,500,000, the amount of which shall be determined as provided in such subsection (the "Alternative Salt Loan Commitment").

(b) Each term loan made pursuant to subparagraph 2.1(a) above shall be evidenced by a promissory note of the Company substantially in the form attached hereto as Exhibit A (a "Bank Term Note"). Each Bank Term Note shall (i) be dated the date the term loan evidenced thereby is made, (ii) be stated to mature in sixty-one consecutive monthly installments (as nearly equal as may be practicable), payable on the last day of each calendar month in each year, commencing December 31, 1980, the sixty-first of which shall be payable on December 31, 1985, and (iii) bear interest from the date thereof on the unpaid principal amount thereof until such principal amount shall be paid in full at a fluctuating rate per annum equal to $1\frac{1}{2}\%$ above the MHT Rate in effect from time to time, provided that whenever any unpaid principal amount of any Bank Term Note shall become due and payable (whether at the stated maturity, by acceleration or otherwise), interest thereon shall thereafter be payable at a rate per annum equal to $3\frac{1}{2}\%$ above the fluctuating MHT Rate in effect from time to time until such amount is

paid in full. Interest on each Bank Term Note shall be payable on the last day of each calendar month, commencing on the first of such days to occur after the date thereof, and upon payment in full of the principal amount thereof.

2.2 Interim IDA Loan Commitment. (a) Since the Company will not be able to bring about the sale of the IDA Bond to the Bank in conformity with the terms of the IDA Bond Commitment prior to or simultaneously with the consummation of the purchase of the Allied Chemical Assets, the Bank, subject to the terms and conditions of this Agreement, and on the same date on which it makes the initial term loan pursuant to clause 2.1 (a)(i) above will make a temporary loan to the Company in a principal amount not to exceed \$7,500,000, which is the amount of the IDA Bond Commitment (the "Interim IDA Loan").

(b) The Interim IDA Loan shall be evidenced by a promissory note of the Company substantially in the form attached hereto as Exhibit B (the "Interim IDA Note"). The Interim IDA Note shall (i) be dated the date the Interim IDA Loan is made, (ii) be stated to mature on March 15, 1980, provided the Interim IDA Note shall be subject to mandatory prepayment in full on the date on which the loan or loans to be made by the Bank in accordance with the IDA Bond Commitment and/or the Supplemental Term Loan Commitment are made and (iii) bear interest from the date thereof on the unpaid principal amount thereof until such principal amount shall be paid in full at a fluctuating rate per annum equal to 1 1/2% above the MHT Rate in effect from time to time, provided that whenever any unpaid principal amount of the Interim IDA Note shall become due and payable (whether at the stated maturity, by acceleration or otherwise), interest thereon shall thereafter be payable at a rate per annum equal to 3 1/2% above the fluctuating MHT Rate in effect from time to time until such amount is paid in full. Interest on the Interim IDA Note shall be payable on the last day of each calendar month in each year, commencing on the first of such days to occur after the date thereof, and upon payment in full of the principal amount thereof.

2.3 The Interim Salt Loan Commitment. (a) Subject to the terms and conditions of this Agreement, the Bank agrees to make an interim loan to the Company

in the principal amount of up to \$2,500,000 on or before January 30, 1980 (the "Interim Salt Loan Commitment").

The Interim Salt Note shall be subject and subordinate in right of payment to the Bank Term Notes, the Interim IDA Note, the IDA Bond, the Insurance Company Notes and other indebtedness owing to commercial banks to the extent provided therein, except that, notwithstanding the subordinated nature thereof and so long as no Event of Default shall exist on or with respect to Senior Debt (as defined in the Interim Salt Note), the Interim Salt Note shall be repaid by the Company out of the "Salt Payment Deferrals".

As used herein, the term "Salt Payment Deferrals" shall mean the right granted to the Company by International Salt under the Salt Agreement, in lieu of making payment for salt deliveries under said Agreement in the ordinary course of business (which is to say within 30 days of the presentation of invoices), to convert such payment obligation, as and when received by the Company or any Subsidiary, to a supplier advance which shall be evidenced by the International Salt Note. The Company agrees that cash in an amount equal to each payment obligation to International Salt that shall be deferred as aforesaid shall be used to pay or prepay the Interim Salt Note on the date which shall be 30 days from the invoice date of the shipment creating such payment obligation (in whole or in part, as the case may be).

Nothing contained in this Agreement with respect to the Salt Payment Deferrals as a source of repayment shall be construed to limit the nature of the Interim Salt Note as a full recourse obligation of the Company.

(b) The interim salt loan shall be evidenced by a promissory note of the Company substantially in the form attached hereto as Exhibit C (the "Interim Salt Note"). The Interim Salt Note shall (i) be dated the date the interim salt loan is made, (ii) be stated to mature on the date which shall be 18 months therefrom (iii) bear interest from the date thereof on the unpaid principal amount thereof until such principal amount shall be paid in full at a fluctuating rate per annum equal to 2% over the MHT Rate from time to time in effect, pro-

vided that whenever any unpaid principal amount of the Interim Salt Note shall become due and payable (whether at the stated maturity, by acceleration or otherwise) interest thereafter shall be payable at a fluctuating rate per annum equal to 4% above the MHT Rate from time to time in effect. Interest on the Interim Salt Note shall be payable on the last day of each calendar month commencing on the first of such days to occur after the date thereof, and upon payment in full of the principal amount thereof.

(c) The Company hereby covenants and agrees that in the event that the Company's right to "Salt Payment Deferrals" shall be terminated at any time in accordance with Paragraph 8.E of the Salt Agreement to which International Salt is a party, then no later than 90 days after the occurrence of such termination, the Company shall make a mandatory prepayment in full on account of the then outstanding principal of and interest on the Interim Salt Note. In the event that the Company shall, in the opinion of the Bank, be unable to repay the Interim Salt Note as and when the same shall become subject to mandatory prepayment in accordance with the preceding sentence notwithstanding that it shall have used its best efforts to do so, then the Bank will refinance the Interim Salt Note by issuing, in exchange therefor, a Bank Term Note in a principal amount equal to the then unpaid principal balance of the Interim Salt Note. Such Bank Term Note shall conform, in all respects, with the form of promissory note described in subsection 2.1(b) above and shall be secured by the Mortgage and be entitled to all of the benefits of the collateral security afforded to holders of Bank Term Notes thereunder.

2.4 Notice of Borrowing. The Company shall give the Bank at least three (3) business days' written or telegraphic notice (effective upon receipt) of its intention to borrow pursuant to any Commitment on the date specified in such notice. Such notice shall also specify the amount of the borrowing to be obtained pursuant to each Commitment. Not later than 11 o'clock A.M., New York City time, on the date specified in any such notice, the Bank shall make available to the Company at its office located at 350 Park Avenue, New York, New York, the amount of the funds then to be loaned to the Company in immediately available funds.

2.5 Voluntary Prepayments. The Company may at its option at any time or from time to time prepay any of the Notes executed by it, in whole or in part, without premium or penalty, upon at least three (3) business days' prior written or telegraphic notice to the Bank (effective upon receipt) specifying the Note to be prepaid on the date and the amount of such prepayment and upon the payment of accrued interest on the amount of principal prepaid; provided, that partial prepayments of each Note pursuant to this subsection shall be in the amount of \$100,000 or any multiple thereof and partial prepayments of the Bank Term Notes shall be applied on account of the installments of principal of the Bank Term Notes in the inverse order of the stated maturities thereof. All voluntary prepayments made pursuant to this subsection 2.5 shall be first applied on account of the Interim Salt Note until said Note shall be paid in full. Amounts prepaid on account of the Notes may not be reborrowed.

2.6 Payment of Principal and Interest; Computation. All payments (including prepayments) by the Company of the principal of and interest on the Notes shall be made at the office of the Bank located at 350 Park Avenue, New York, New York, in lawful money of the United States of America and in immediately available funds. Interest on the Notes shall be calculated on the basis of actual days elapsed and a year of 360 days. Any change in the interest rate on the Notes resulting from a change in the MHT Rate shall become effective at the opening of business on the day on which such change in the MHT Rate occurs, and the Bank will notify the Company in writing of the effective date and the amount of each such change.

2.7 Use of Proceeds. The Company agrees that the loans obtained by it pursuant to this Agreement shall be used to (a) repay in full, the principal of and accrued interest on all of the outstanding obligations and liabilities of the Company and its subsidiary under the Existing Credit Agreement (and effect the release of the collateral security therefor), (b) to finance or refinance a portion of the cost of the acquisition of the Allied Chemical Assets by the Company and its Subsidiaries pursuant to the Acquisition Agreement and (c) for working capital purposes in the ordinary course of business.

SECTION 3. REPRESENTATIONS AND WARRANTIES

In order to induce the Bank to enter into this Agreement and to make the Loans, the Company and each Subsidiary which is a party to this Agreement jointly and severally represent and warrant to the Bank that:

3.3 Required Consents. No consent of any other party (including stockholders of the Company) and no consent, license, approval or authorization of, or registration or declaration with, any governmental body, authority, bureau or agency is required in connection with the execution, delivery and performance by the Company and each Subsidiary (which is a party to this Agreement) of this Agreement, the Notes, the Warrant Amendment, the Mortgage, the Second Mortgage, the Salt Agreement, the IDA Bond Commitment, the Insurance Company Agreement and the Acquisition Agreement except, in the case of any leasehold covered by the Mortgage or the Second Mortgage, the consent of the lessor thereof and except that to perfect the liens and security interests created by the Mortgage, and the Second Mortgage, such Mortgages and/or UCC Financing Statements will have to be filed and/or recorded in certain offices.

3.5 Status of Litigation. There is no action, suit, investigation or proceeding (whether or not purportedly on behalf of the Company) pending or, to the knowledge of the Company, threatened (or any basis therefor known to the Company or any Subsidiary) against the Company or any Subsidiary or Allied Chemical (with respect to the Allied Chemical Assets) which questions the validity of the Acquisition Agreement, this Agreement, the Notes, the Warrant Amendment, the Warrant, as amended by the Warrant Amendment, the Mortgage, the Second Mortgage, the Salt Agreement or the IDA Bond Commitment or any action taken or to be taken pursuant hereto or thereto, or which might result, either in any case or in the aggregate, in any material adverse change in the business, operations, affairs, condition, properties or assets (including the Allied Chemical Assets) of the Company or any Subsidiary or in any material liability on the part of either the Company or any Subsidiary.

- C. Prepayment Permitted in whole or in part after 2 years in amounts of \$50,000 or any integral multiple thereof, partial prepayments to be applied to installments in inverse order of maturity.

As used herein, the MHTC Rate shall mean the commercial loan rate of the Bank from time to time in effect in New York, New York on 90-day unsecured loans to its most responsible and substantial domestic corporate borrowers.

 .2 A Determination of Taxability shall be deemed to have occurred on the date the Bank notifies the Company that:

(b) as a consequence of any of the circumstances set forth in clauses (a)(i) through (a)(v) of this subsection .2, counsel for the Bank shall have advised the Bank either that interest on the

Bond is currently includable in gross income for Federal income tax purposes or that such counsel cannot give its opinion, without materially qualifying the same, to the effect that interest on the Bond is currently excludable from gross income for Federal income tax purposes; provided, however, that if such opinion is based solely upon (or a necessary factor for the basis of such opinion is) the conclusion that the Bank is a substantial user of the Facilities within the meaning of Section 103(b)(7) (or any successor provision) of the Code or a "related person", as defined in Section 103(b)(6)(C) (or any successor provision) of the Code, no such Determination of Taxability shall be deemed to have occurred.

_.3 If at any time (whether before or after payment, at maturity, or otherwise, of the Bond) it is determined that any interest payments paid or accrued to the Bank on the Bond prior to the date of any Determination of Taxability, are includable in the Bank's gross income for Federal income tax purposes, as evidenced either (a) by the IRS' issuance to the Bank of a proposed deficiency letter (30-day letter) or (b) by the opinion of counsel for the Bank (which opinion shall not be based solely upon (or a necessary factor for the basis of such opinion shall not be) the conclusion that the Bank is a substantial user of the Facilities within the meaning of Section 103(b)(7) (or any successor provision) of the Code, or a "related person", as defined in Section 103(b)(6)(C) (or any successor provision) of the Code) to the effect that such counsel cannot give its opinion, without materially qualifying the same, that the said interest on the Bond is excludable from gross income for Federal income tax purposes, then in the event of (a) or (b) of this subsection _ .3 the Company shall pay to the Bank three business days after demand the following amounts:

(i) an amount equal to the difference between (A) the interest that would have been payable had such interest payments been calculated at the Taxable Rate and (B) the actual amount of such interest payments, plus

.4 If (a) at any time (whether before or after payment, at maturity, or otherwise, of the Bond) it is determined that any payment of interest on the Bond, or any amount in respect of interest on the Bond, as a whole or in part, is subject to the tax imposed under Sections 56 to 58 (or any successor provisions) of the Code (the "Preference Tax"), as evidenced either by an amendment to the Code or by the opinion of counsel for the Bank to that effect, and (b) the Bank pays such Preference Tax, the Company shall pay to the Bank three business days after demand the following amounts:

(iii) an amount, which after the deduction of all Federal, state or local taxes required to be paid by the Bank in respect of the receipt thereof (calculated at the maximum statutory rates applicable

to the Bank) minus any tax benefit derived therefrom, shall be equal to the amount of any Additions to Tax that are not deductible by the Bank for Federal income tax purposes.

____.5 If the Company shall have made any payments to the Bank by reason of subsections _____.1 through _____.4 hereof and if the Bank shall successfully claim for the taxable year in question that all or any part of the interest on the Bond for such taxable year is excluded from the Bank's gross income for Federal income tax purposes or that the Preference Tax is not due and payable (for this purpose a claim shall be successful only upon expiration of the statute of limitations provided by Section 6501 of the Code with respect to such taxable year), then the Bank shall pay to the Company an amount equal to all or a comparable part of such payment with respect to such taxable year in question made by the Company.

____.6 All payments by the Company pursuant to this Section ____ shall be made to the Bank at its office set forth with its signature below in immediately available funds.

____.7 The obligations of the Company under this Section ____ shall survive the payment in full of all sums due under the Bond and shall continue in effect until all amounts due hereunder have been paid and in any event until five days after all statutes of limitation have run (after taking into account all extensions and suspensions thereof) in respect of any taxable year during which any payment of interest on the Bond or any payment pursuant to this Section ____ was received or accrued.
